CELEBRATE CHILDREN

A Beautiful Poem On Children's' Day

A child is blessed every day
A child is innocent
A child is beautiful gift of god
So never ever hate them for who they are or how they are

They wanna to fulfill their dreams and & overcome hopes and fears.
So never ever Hit them or shove them around
Never ever kick them blossoming dreams to ground.

They waana to remind the adults to dry their tears,
From hearts and minds, Spirits and souls,
They love each other with no strings,

So never ever trick them into living with so many pains.
never treat them like dirt and without respect,
never cheat them and abuse their innocence,
never stop them from being a hero tomorrow,
never crop out them talents for a petty win,
never hide them from the truth that you fear,

So pray that all of us hold
To one another's hands and together sing.
They are our hope.
They are our future.
They are the ones who will change our fate.
They are everything but without our help,
They are the children, have no day to celebrate
Today in this land and all around the world,
I hold in my heart the hopes and wishes,
With hugs and love

Celebrate Children

To let them know that this is 'Children's day.'

SWETA LEENA PANDA

குழந்தைகளைக் கொண்டாடுவோம்

Children Are ...

Amazing, cherish them.
Believable, trust them.
Childlike, let them.
Divine, respect them.
Energetic, nourish them.
Fallible, embrace them.
Gifts, unwrap them.
Here Now, be with them.
Innocent, delight in them.
Joyful, appreciate them.
Kindhearted, join them.
Loveable, love them.
Magical, fly with them.
Noble, esteem them.
Open-minded, hear them.
Precious, treasure them.
Questioners, encourage them.
Resourceful, support them.
Spontaneous, enjoy them.
Talented, believe in them.
Unique, affirm them.
Vulnerable, protect them.
Whole, recognize them.
Xtra Special, celebrate them.
Yearning, notice them.
Zany, laugh with them.

மழை தரும் மேகம்

மேகம் மழைதான் பொழியும் தாகம் போக்கி கொள்வது நமதுசெயல்

மரம் நிழல் தானே தரும் ஒதுங்கி களைப்பு போக்குவது நமதுசெயல்

தென்றல் சுகமாய் தான் வீசும் இ ஜன்னல் திறக்க வேண்டியது நமதுசெயல்.

வாழ்க்கை அனுபவம் தான் தரும் இ உணர்ந்து வாழ்வது நமதுசெயல்.

சந்தனம் வாசனை தான் தரும் இ முகர்ந்து மகிழவேண்டியது நமதுசெயல்.

சூரியன் வெளிச்சம் தான் தரும் இ சரியான பாதையில் செல்வது நமதுசெயல்.

நிலம் பயிரிடத்தான் உதவிடும் இ உழுது நீருன்ற வேண்டியது நமதுசெயல்.

நிலவு குளிர்ச்சி தான் தரும் இ அனுபவித்து மகிழவேண்டியது நமதுசெயல்.

வானத்தில் பிறந்து இ வெள்ளமாய் குதித்த நான் புகந்த வீட்டு பூமியில் சிறுகுமாய்க்குள் அடைபட்டேன்

அடிமையாய் குளியல் அறையில் சொட்டுசொட்டாகண்ணீர் விடுகிறேன் சரியாகஅடைக்கப்படாதகுழாயில் நான்....

மெழுகுவர்த்தி

இந்த பெயரை கேட்ட பிறகு தான் நமக்கு இதன் ரூபகம் வருகிறது. ஒருகாலத்தில் மெழுகுவர்த்தியின் பயன்பாடு மிக அதிகமாக இருந்தது. ஆனால் தற்போது உள்ளகாலத்தில் இதன் பயன்பாடு மிகவும் குறைந்துவிட்டது. ஒரு 15 - வருடத்திற்கு முன்பு மெழுகுவர்த்தியைப் பயன்படுத்துவது அதிகமாக இருந்தது. காரணம் அடிக்கடி ஏற்படுகிற மின்சார துண்டிப்பு குறிப்பாக இரவு நேரத்தில் ஏழைகள் மெழுகுவர்த்தியை குடிசைத் தொழிலாக கூட செய்து வாழ்ந்து வந்தார்கள். நல்ல வருமானமும் கிடைத்தது. இப்பொழுது மின்சாரம் இல்லை என்றாலும் யாரும் கவலைப்படவில்லை. மாற்று ஏற்பாடுகளை நாம் செய்து வைத்து உள்ளோம். தற்சமயம் மெழுகுவர்த்தியை நாம் பண்டிகைக் காலங்கள் இ பிறந்தநாள் கொண்டாட்டங்களில் மட்டுமே பயன்படுத்தி வருகிறோம். “தன்னையே உருக்கிக் கொண்டு இருளை வெளிச்சம் ஆக்குவது மட்டுமே இதன் முதன்மையான பணி”. கடைகளில் மெழுகுவர்த்தியை வாங்குவது மிகவும் குறைந்துவிட்டது. தன்னையே தியாகம் செய்து நமக்கு வெளிச்சம் கொடுத்த மெழுகுவர்த்தியை நாம் மறக்க வேண்டாம்.

Jokes

1. A boy was very sick. He went to the doctor. Then he went to the kitchen often. Why?

Because the doctor said, to check sugar.

2. A boy was dancing in math exam hall. Why?

Because teacher says there is mark for every step..

3. A boy went to the 10th floor and dropped a cooker down. Will it break or not?

No, because it is a butterfly cooker.

4. If train is not discovered, what will happen?

Train tracks will be a waste.

LAL BAHADUR SHASTRI

October 2, 1904 - January 11, 1966

■ Lal Bahadur Shastri was the second Prime Minister of independent India.

■ He popularized the slogan 'Jai Jawan Jai Kisan', recognizing the need for self-sustenance and self-reliance as the pillars to build a strong nation.

■ He was against the prevailing caste system and therefore decided to drop his surname. The title "Shastri" was given after the completion of his graduation at Kashi Vidyapeeth, Varanasi in 1925. The title "Shastri" refers to a "scholar" or a person, adept in the "Holy Scriptures".

■ In 1930, Mahatma Gandhi marched to the sea beach at Dandi and broke the imperial salt law. The symbolic gesture set the whole country ablaze. Lal Bahadur Shastri threw himself into the struggle for freedom with feverish energy.

■ He led many defiant campaigns and spent a total of seven years in British jails.

■ When the Congress Government was formed in 1946, he was called upon to play a constructive role in the governance of the country. He was appointed Parliamentary Secretary in his home State of Uttar Pradesh and soon rose to the position of Home Minister. His capacity for hard work and his efficiency became a byword in Uttar Pradesh. He moved to New Delhi in 1951 and held several portfolios in the Union Cabinet – Minister for Railways; Minister for Transport and Communications; Minister for Commerce and Industry; Home Minister; and during Nehru's illness Minister without portfolio. He was growing in stature constantly. He

resigned his post as Minister for Railways because he felt responsible for a railway accident in which many lives were lost. The unprecedented gesture was greatly appreciated by Parliament and the country.

■ Later, he came to be known as a man of great integrity and competence.

■ Humble, tolerant, with great inner strength and resoluteness, he was a man of the people who understood their language.

■ Lal Bahadur Shastri was deeply influenced by the political teachings of Mahatma Gandhi. "Hard work is equal to prayer," he once said, in accents profoundly reminiscent of his Master. In the direct tradition of Mahatma Gandhi, Lal Bahadur Shastri represented the best in Indian culture.

Trip to Singapore

I have been and back from Singapore few months ago. I saw multiple country people living altogether in spite of their differences in their culture. I am impressed of their discipline among them like lining up to get into the public transport. Multi country cuisine is available. Among them, I found Chinese noodles and the accompanying soup to be very delicious. Singapore time is two and half hours faster than India.

Singapore is a safe and beautiful country. I love Singapore.

Shirle Ruth, V-A.

Jokes

1. One day a teacher asked "What is Microsoft Excel?" A boy answered it's a new product of surf excel.
2. Why is the cricket stadium cool? Because every seat has a fan in it.
3. A boy slept for 20 years. How? Because it is a dream of that boy.

**CONTROLLING ANGER- Mahinth Senthil-V B**

Once, there was a young boy. This boy had problems controlling his anger. When he got angry, he would say the first thing that came to mind even if it hurt people very badly.

One day his father figted him a hammer and a bundle of nails, then said “whenever you get mad, hammer a nail.

Into the backyard fence”. In the first days, the boy used to temper”up half of the nails, over the next week, he used up fewer bails, until his temper was under control. Then his father asked the young boy to remove the nail for each time he didn’t lose his temper “ On the day when the boy removed his last nail, his father told him, “ you have done good boy. But can you see the holes ithere?. The fence is never going to be the same like wise, when you say mean things in anger, you’ll always leave a lifetime scar.

Moral:

Anger is like a knife – one of the most dangerous weapons when use it. The wounds will heal, but the scars remain.

My experience as part of divine work..... TEACHING.....

Teaching is more than a job. Nobody can satisfy the amount of work done by good teachers. Only God can reward them richly. Committed teachers always keep their enthusiasm going as they aware of their joy that they get in teaching.

Teaching is challenging, beautiful and amazing job. The young children and their spirit keep the teachers going with a smile even there is a frustrating moments. The greatest gift that we take to the children each day is to inspire, lead and motivate them.

We teachers, always make a difference in the student’s communities.

We teachers, have an opportunity to experience the joy of making a difference in young lives.

We teachers, helping students discover their talents, celebrating their successes and watching them blossom.

Being a teacher is truly amazing. It allows me to work with incredible children and see them develop, grow, laugh and learn. I am truly blessed to be a teacher.
